

Brush Haul Away

Monday, September 23, 2024

This is an opportunity for residents along Bradach, Bobence, Wildgate, Moose Creek Trail, Grouse Ridge, & Victoria and their spur roads to reduce the risk of wildfire to your homes by implementing wildfire prevention strategies.

Find out how by viewing the recording of

“Tips for Backyard Wildfire Resiliency” at:

https://youtu.be/u3kuhZ_0tkc

You cut and stack along the roadway/driveway and we haul away at no cost to you.

Please keep track of your hours worked on the volunteer hours form on the back of this flier. This is the in-kind match for the Firewise Community USA requirements. This includes watching the video.

Event Details:

When: Stacked piles need to be in place by Sunday Sept 22.

Where: The operator will begin haul away on Monday Sept 23.

Please do NOT add to piles after this date.

Pile Guidelines:

Cut and pile your woody debris along your roadway or driveway by the evening of Sunday September 22, 2024.

Piles must be stacked neatly with ends facing the road

Please limit pile size to 5' x 5' x 5'.

No limit to the number of piles, please make sure they are not obstructing traffic or under power lines.

What's Acceptable?

Small trees, branches and limbs (balsam fir, spruce, brush) will be accepted.

Woody limbs and branches up to 6" in diameter

No construction or building materials

Piles only, no bags allowed

No trash, weeds, root wads, dirt, or rocks

No grass clippings or bags of leaves

No household garbage

Questions? Contact: Mike Ostlund
Eagle's Nest Township
Emergency Manager

Sponsored by the Eagle's Nest Township Board of Supervisors

Firewise Recording of Volunteer Hours, including watching the recording of "Tips for Backyard Wildfire Resiliency" (VERY IMPORTANT in-kind match toward future grant funding and supports our Firewise Community USA recognition status).

If you have paid someone to do the work or rented equipment to do the work, include that dollar amount, as well. It also counts as an in-kind match.
